### **FocalSpot, Inc. hires Inside Sales and Support Manager to coordinate customer service and fulfillment efforts of growing clientele**

San Diego, California (April 19, 2007) – FocalSpot, Inc. ([www.focalspot.com](http://www.focalspot.com)), a premiere provider of advanced BGA/SMT inspection and rework solutions to the electronic manufacturing industry, announced today the appointment of Charles Wells to the position of Inside Sales and Support Manager.

Charles Wells joins FocalSpot as Inside Sales and Support Manager. Mr. Wells brings to FocalSpot more than three years of electro/mechanical x-ray product installation and service experience and an extensive background in sales, training and program management. Prior to joining FocalSpot, Mr. Wells performed Field Service for Science Applications International Corporation (SAIC) for VACIS gamma ray inspection products and served as Installations Manager for L-3 Communications SDS' cargo x-ray inspection products.

"FocalSpot, Inc. remains committed to providing outstanding customer service and product excellence. Our customer care and fulfillment efforts will benefit greatly from the capable addition of Charles to our growing team." Said, Fred Schlieper, FocalSpot, Inc. President and CEO.

#### **About FocalSpot, Inc.**

FocalSpot, Inc. designs, manufactures and markets affordable high quality x-ray inspection systems worldwide and distributes DEN-ON advanced BGA semi-automated rework solutions and Optilia BGA/SMT Inspection microscopes in North/South America, Canada and Mexico.

FocalSpot also sells, reconditions and supports pre-owned Nicolet X-Ray Inspection systems; providing ongoing service, parts, installation and training. With over 20 years of experience, our team of certified technical support specialists and applications engineers deliver outstanding service worldwide.
